- **cut** your **software costs dramatically**
- Not have to pay for unnecessary
  - Packaging
  - Manuals
  - Disks
- Maintain your company's software consistency
- Combat software piracy

**Don't imagine it, do it by June 30th and save!** Not to mention all orders to the value of \$15,000 or above will receive a **Casio QV-100 digital camera** All orders between \$5,000 and \$15,000 will go into a draw to win 1 of 10 Casio QV-11 digital cameras.

**You only have until June 30th 1999 to take advantage of this great offer!**

## Before

You can make **huge savings** by simply taking advantage of the **Microsoft Open Licence Program** and:

- For orders over \$15,000 you will receive a **Casio QV-100 digital camera, worth \$1,000, ABSOLUTELY FREE.**
- For orders between \$5,000 and \$15,000 you will go into a draw to win 1 of 10 **Casio QV-11 digital cameras.**

The Microsoft Open Licence program known as MOLP is designed to reduce the costs associated with purchasing, upgrading, maintaining and managing your Microsoft software.

You simply purchase the minimum number of units at one of four price levels and you will continue to receive your discounted price for reorders over the next 2 years!

### Save Money

It is so easy for your company to qualify for the MOLP discounts. If you purchase only 10 or more copies of Microsoft office you can qualify.

A single licence certificate replaces unneeded boxes, disks and documentation sets.

### Easier control of your software

Enjoy an easier way to maintain company wide consistency. At the same time assist your company to **combat software piracy.**

**Have your purchase order in by 5pm on June 30th and you will Save.**

All Casio digital cameras will be delivered after June 30th once your account has been settled.

You only have until 5pm June 30th to take advantage of this **fantastic saving.**
